

Wiggins School District RE-50J

Library Mission Statement

The mission of the media center is fourfold:

- 1) To purchase resource materials to enhance the curriculum to benefit the students.
- 2) To co-ordinate library activities with the teachers to support students as knowledge seekers.
- 3) To provide students with reading experiences that promote critical reading, writing and thinking skills.
- 4) To provide a variety of reading materials to help the students develop a life-long enjoyment of reading.
