

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

## FEBRUARY 2019

### GOOD PEOPLE OF TIGER NATION:

So much has taken place over the past month, yet there is still so much to do. The students and teachers are comfortably enjoying the new spaces in both the elementary school and the secondary school. The safe entries have added a much needed security measure to the district. Visitors, please remember to have the proper ID if you would like to enter the buildings.

A grand opening will take place for all community members to come and tour the school on February 25<sup>th</sup>. Please come to the South entrance of the school to enter the facility. There will be a short presentation in the gym, then our high school and middle school student councils will be available to give tours.

At the January Board of Education meeting, board members voted for the district to implement a 4-day school week beginning the fall of 2019. The calendar for the 2019/2020 school year will be posted to the website once created. Due to a state wide teacher shortage the district is looking at keeping 6<sup>th</sup> grade in elementary school for core subjects while having 6<sup>th</sup> grade utilize secondary teachers for specials, i.e. Art, PE, Music, STEM.

4<sup>th</sup> and 5<sup>th</sup> Graders will be going snowshoeing during the month of February. Snowshoeing in Estes Park has become an annual fieldtrip for our students. The kids love this educational experience held in Rocky Mountain National Park.

### Highlights:

#### Elementary Students of the Month for December
