

POSITIVELY IMPACTING EVERY STUDENT, EVERYDAY!

JANUARY 2019

GOOD PEOPLE OF TIGER NATION:

The staff of Wiggins School District hopes this finds you enjoying your Holiday Break. Enjoy this time with family and friends as we all begin our journey of 2019.

On January 9th, the first day of the Spring Semester, the district will host a ceremony at 7:55 am to kick off the entry into the new secondary building. Past graduates and current students will cut a ceremonial ribbon then enter the building for the first time. All community members are invited to take part in this activity.

A grand opening will take place for all community members to come and tour the school once a date can be found.

Parents please be aware that all students will be picked up and dropped off by the school bus fleet on the South end of the elementary school. The new bus loop is only for buses. We ask elementary parents to continue dropping their children off at the east elementary main entrance. Secondary parents may use the new parking lot to drop off their children on the South side of the new MS/HS building.

The school will be auctioning off 2 buses, desks, chairs, a hot water heater and other items on January 19th. Please come by and bid on items that you may want for your home. The auction will take place in the old high school building.
