

## **ICAP LESSON: Plan of Study & PWR**

**Grade:** 10

**Materials:** Computer Lab  
Registration hand outs

### **4-Year Plan**

- Have students log on to College in Colorado.
- Each student update their Plan of Study based upon the classes they have already taken and the classes they plan to take. Students can use their credit check sheets or transcripts handed out previously for reference.
  - HIGH SCHOOL PLANNING => YOUR PLAN OF STUDY
  - Be sure students include any college classes they plan to take in high school.

### **Registration**

- Hand out the gold Registration Directions page.
- Have students log in to Infinite Camus and complete their course requests for pre-registration based upon their Plan of Study.

### **Post-Secondary Workforce Readiness Goal**

- Each student needs to create a Career Plan by using the Career Builder on College in Colorado. This should be a NEW PLAN. DO NOT DELETE OR EDIT the previous plans.
