

## **ICAP LESSON: Plan of Study & PWR**

**Grade:** 11

**Materials:** Computer Lab

### **Day 1:**

- Have students log on to College in Colorado.
- Each student update their Plan of Study based upon the classes they have already taken and the classes they plan to take.
  - HIGH SCHOOL PLANNING => YOUR PLAN OF STUDY
  - Be sure students include any college classes they plan to take in high school.
- Students should complete their course requests for pre-registration based upon their Plan of Study.
- Next, each student should create a Career Plan by using the Career Builder. This should be a NEW PLAN. DO NOT DELETE OR EDIT the previous plans.
  - CAREER PLANNING => CAREER PLAN BUILDER
